Compliance with National Association of REALTORS® requirements (as from time to time are amended) for the access and use of a Key Box System, including notification of each listing office or listing agent of SentriLock Holder's intention to enter the property using the Key Box. This notification is to be prior to the actual entry unless the listing indicates the cooperating agent may access the property without prior notice to the listing agent or the listing office.

By the signatures below, the agent and Designated Realtor®/Principal Broker acknowledge and understand that it will be their responsibility to become familiar with and abide by the appropriate rules and regulations of the particular system provider of the area(s) in which I have chosen to obtain SentriLock box access.
